Autumn term letter Y2 parents only

Dear parents,

I hope my message finds you and your family well.

As our students return for the start of the new academic year, we remain more committed than ever to support children who have fallen behind through no fault of their own.

Through a series of virtual booster sessions in English and mathematics, we plan to cover additional topics and give our students every opportunity to fulfil their potential.

The sessions are scheduled for the whole of the 2021-2022 academic year starting in September and will run every term-time week from Monday to Thursday. There will be one E-ACT teacher per year group and E-ACT students across the country will be able to attend their year group's session online.

Our sessions will start on **Monday 13th September** and you can find more information including the full timetable [here](#).

I would like to take this opportunity to thank you for everything you do for our academy. With your support we can help our students to address gaps and boost their learning in the wake of significant disruption caused by the pandemic.

Should you have any questions, please contact the academy in the usual way.

Yours sincerely,

Ms K.Pingree

Headteacher
